

Our Banking & Finance practice is recognized as a leader in Oman. We handle a wide variety of domestic and international financings, and act for financiers, borrowers and secu-

rity providers. We also advise on derivatives transactions and banking and financial regulations and compliance issues.

We provide advice across the entire spectrum of financial products including syndicated lending and leveraged & acquisition finance, asset finance, project finance, financial regulatory, insolvency & restructuring and structured finance.

We also advise public/private sectors borrowers from financial services providers, asset managers, wealth funds, developmental finance institutions, private equity funds, insurance underwriters, rating agencies, and security trusts and guarantors.
